

Lightbulb Moments

STEM EDITION

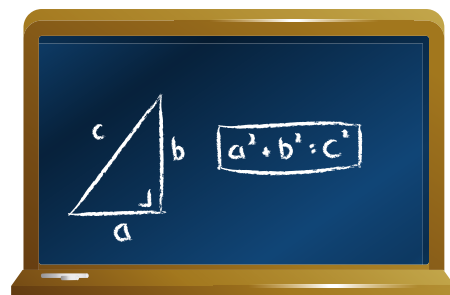

Do you have good reasoning skills?

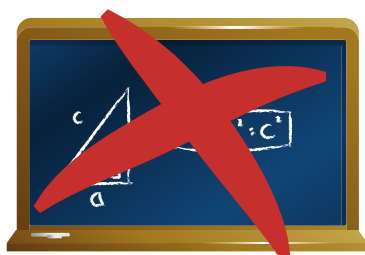

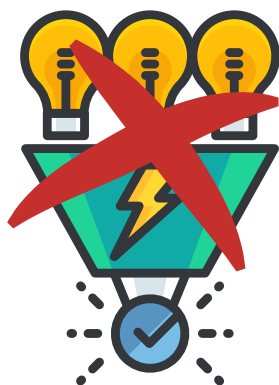

Are you good with reading comprehension?

What about math?

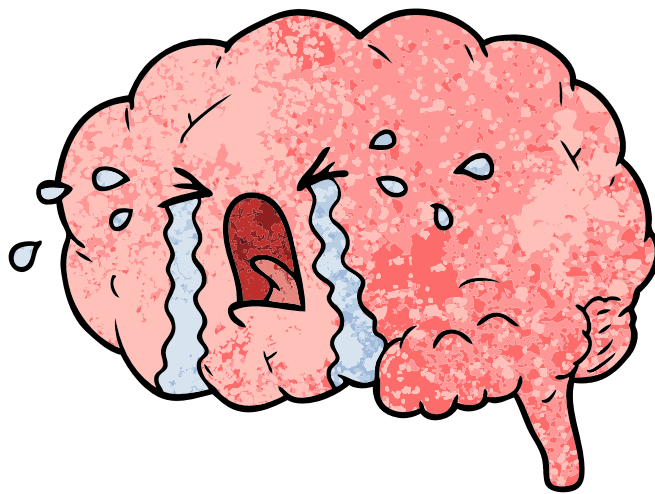

Did you answer NO to any of these questions?

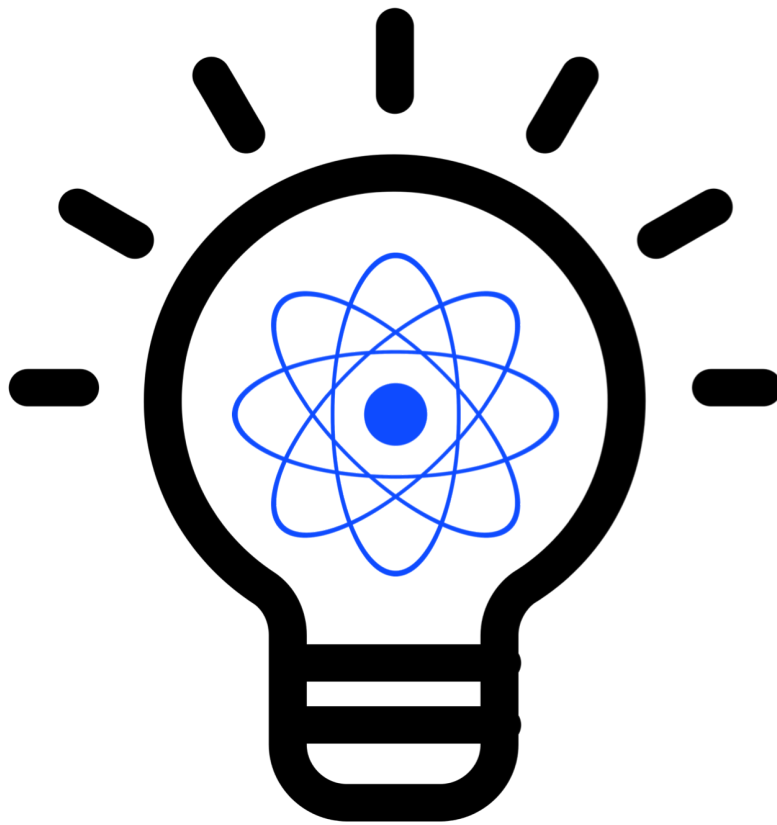

Let's work on that
by
pinpointing the

PAIN
POINTS

What can we
do to help get rid of
the PAIN and create
Lightbulb Moments?

The STEM Skills online course platform!

The STEM Skills online content is designed to help students, parents and non-traditional learners grasp concepts in math and science. Sign yourself or your child (starting at grade 3) up today to get started!

“A thought-provoking learning experience! STEM Skills made math FUN!
- Sheri from Baltimore
